PERSONAL SUMMARY

I'm a circus artist specialized in hula hoops. I consider myself as a comedian, but I'm a multifaceted performer.

I'm very creative, love researching and discovering, mixing skills and working with expectations. I truly believe in the power of arts and how they can change the world, I like to use the stage as a weapon for a social change.

Always willing to be immersed in a project where I can not only make good use of my performer skills but also my directing skills.
